Subject: Encana Meeting

Lucita,

I just checked Steve Pratt's schedule and he has a meeting on Tuesday, October 16, 2012. Janie Nelson mentioned that she thought the meeting would be next Thursday. Can we talk to get this figured out. Thanks Lucita.

Hi Walter - 11am on Oct. 16th will work fine. Let's plan to meet here at our office at 16th and Wynkoop. You should plan to spend a few minutes getting through security. We will need a list of people that are planning to attend. Linda Bowling or I (or both of us) will meet you in the Lobby on the main level. Attending from EPA are: Linda Bowling, Douglas Minter, Steven Pratt, and myself. We can also get a conference line for WOGCC to call in on. I can have our UIC program send that information to them prior to the meeting. Do you have an agenda or list of items you would like to discuss? We do have the WOGCC order that you sent us, but if there is anything else that you may want to send us prior to the meeting, that may also be helpful.

Thanks, Lucita

Lucita,

Thank you for checking with your clients. I think that 11:00 on Oct. 16 would work best for us. I will be at the WOGCC on Monday and Tuesday and will confirm the time with Janie Nelson.

Should we plan to meet at your office, or would you like to meet in my Denver office?

Thanks again – have a great weekend,
Walter

We can all do Tuesday morning, except that we all have meetings at 10am. Can we meet before that or at 11am?

Thank you very much. Would Tuesday morning, 10/16, or Wednesday, 10/17, before 2:00, work for your team?

Hi Walter - one of my clients does not work Fridays and would prefer to meet on a different day. If that's not workable, they'd be willing to come in on that Friday. Let me know if that's possible. If it's not, it's okay too. Thanks, Lucita

Ms. Chin,

Thank you for our conversation last Wednesday about a possible meeting to discuss UIC/aquifer exemption issues. Would a meeting in Denver on Friday morning, October 12, work for your team? If so, I will ask Janie Nelson at the WOGCC if that time works for her participation by telephone.

Thanks again,
Walter
